KNUDE in Knave!

06
9 770265 128009

What's YOUR PROBLEM?

Got a nasty itch in your nethers and can't reach it? Partner not coming up to scratch? Fear of the opposite sex? Fear of the sex right next to you? We've got the perfect solution. BETTE NOIR, Knave's own sexual paracetamol will kiss it better . . .

Q: Can you tell me if it's natural to fantasise while you're masturbating, most of the time? I think I have for as long as I can remember. Do you think *all* men fatasise, or am I extreme? — C.T., Cardiff.

A: It's natural, pet. If a thumbnail statistic is any reassurance, I'd say about three-fourths of men are in your position. Some don't — and some no doubt lie, and say they don't. Fantasising can enrich your sex life — with someone, and with your own company. If it isn't getting in the way of anything, relax!

Q: What are some common mistakes women make during sex? I'm asking because I really love having sex with my boyfriend, but want to make sure I'm pleasing him like he does me. — M.J., Aberdeen.

A: Your attitude's a terrific start. A few more pointers. One mistake is *not* to talk with your man about what you both like — and feel uncomfortable with. Asking a man what really excites him is the best way of finding out. Don't concentrate only on his penis. Other body bits are, after all, erogenous, and everything feeds into the best sex organ of all — the brain, remember? So give enough attention to his neck, ears, inside of thighs, ass — anywhere else where he's sensitive. Another mistake? Not fondling his penis soon enough — no, that's not contradictory. They love more body attention, simply want us to get to the penis quicker — (Whereas we need, generally speaking, a lot of general touching to get us hot first *before* our love-button — see?)! Also, don't keep stimulating him during and after he's come. He's sensitive then. No, sex isn't a gymnastics course — just a matter of fine-tuning that makes a good lover into a great one. (Where else but in *Knave*, dear girl?)

"Stand by for a load of old cobblers, Vera."

Q: What's a good way to let the woman you're sleeping with know that you'd like her to give you head? We've only been having sex for two months, but she hasn't volunteered. — K.R., London.

A: Well, without knowing the girl, but guessing from your letter that she's pretty young, it's possible she's a little nervous about — uh, bringing it up. Maybe it hasn't occurred to her that that's what you'd want. Good lord, man, have you ASKED HER? Talk with her before-hand. Explain how turned-on you'd be if she threw a little oral love into the proceedings. Then take things gently, if you think she's uncomfortable. Or, in the middle of the fun, you could also gently pull her head down to you and see if nature takes her course. Yum.

Q: I have this embarrassing problem that I hope you can help me with, Bette, because I don't know who better to ask! I have no trouble climaxing with women (I am in my twenties), but I can't come very often when I masturbate. When I was a lot younger, I wasn't bothered by this, but as time goes by, to borrow from the song, I worry more and more. Have you ever heard if this kind of thing from anyone else? — P.C., Newcastle.

A: Easy, pet. I'm sorry you didn't tell me about this earlier — it would have saved you some sleepless nights. It's all perfectly *okay*. Some people can't — for a variety of reasons, like not having a need to, because they're perfectly satisfied with their sexual/social life! Sometimes it's a matter of physical or psychological conditioning — maybe you're not relaxing enough — this has become such a major issue with you, I'm not surprised. Maybe you're feeling guilty. Look. If you're feeling frustrated, and you have a great time with the women, then leave things alone. Don't force it. If you feel like masturbating, *don't* go for the goal, just do nothing more than lie back and enjoy the sensations — eventually, if your mind isn't in the way, you'll be, er, coming along a treat.

Q: Why is it that you're not supposed to use petroleum jelly with condoms? And what am I supposed to use? — G.D., Norfolk.

A: Any petroleum product — that includes mineral oil, so watch what you do after the massage — can dissolve the rubber, Mate(s). KY Jelly's good, as is any water-based lubricant. Or you could ask your chemist for something with nonoxynol 9, a spermicide which kills AIDS and other sexual disease pests.

Q: I'm writing to you because I know my boyfriend reads your column every month. He loves to suck on my breasts, but I hate it! I've asked him to stop, but then he gets upset. How do I handle this? — S.E., Norfolk.

A: Do you hate it because he's rough with you? Or because your breasts are tender? (If they are *all* the time, I'd have a check-up.) Tell him to be more sensitive with you, that there's still licking and gentle chewing on the menu, but no vacuuming or biting. If you just hate it period, then tell him he's a big boy, that you're not rejecting him, and that those are your breasts, that he's doing something that you don't *want* him to do — and that's the way it is. There's a lot more of your body to enjoy. If that doesn't work — and I'd think it would — then I'd question what I was doing with a man who doesn't care (If he loves to suck on something, you could always play hide the Malteaser . . .).

KNAVE

AMY

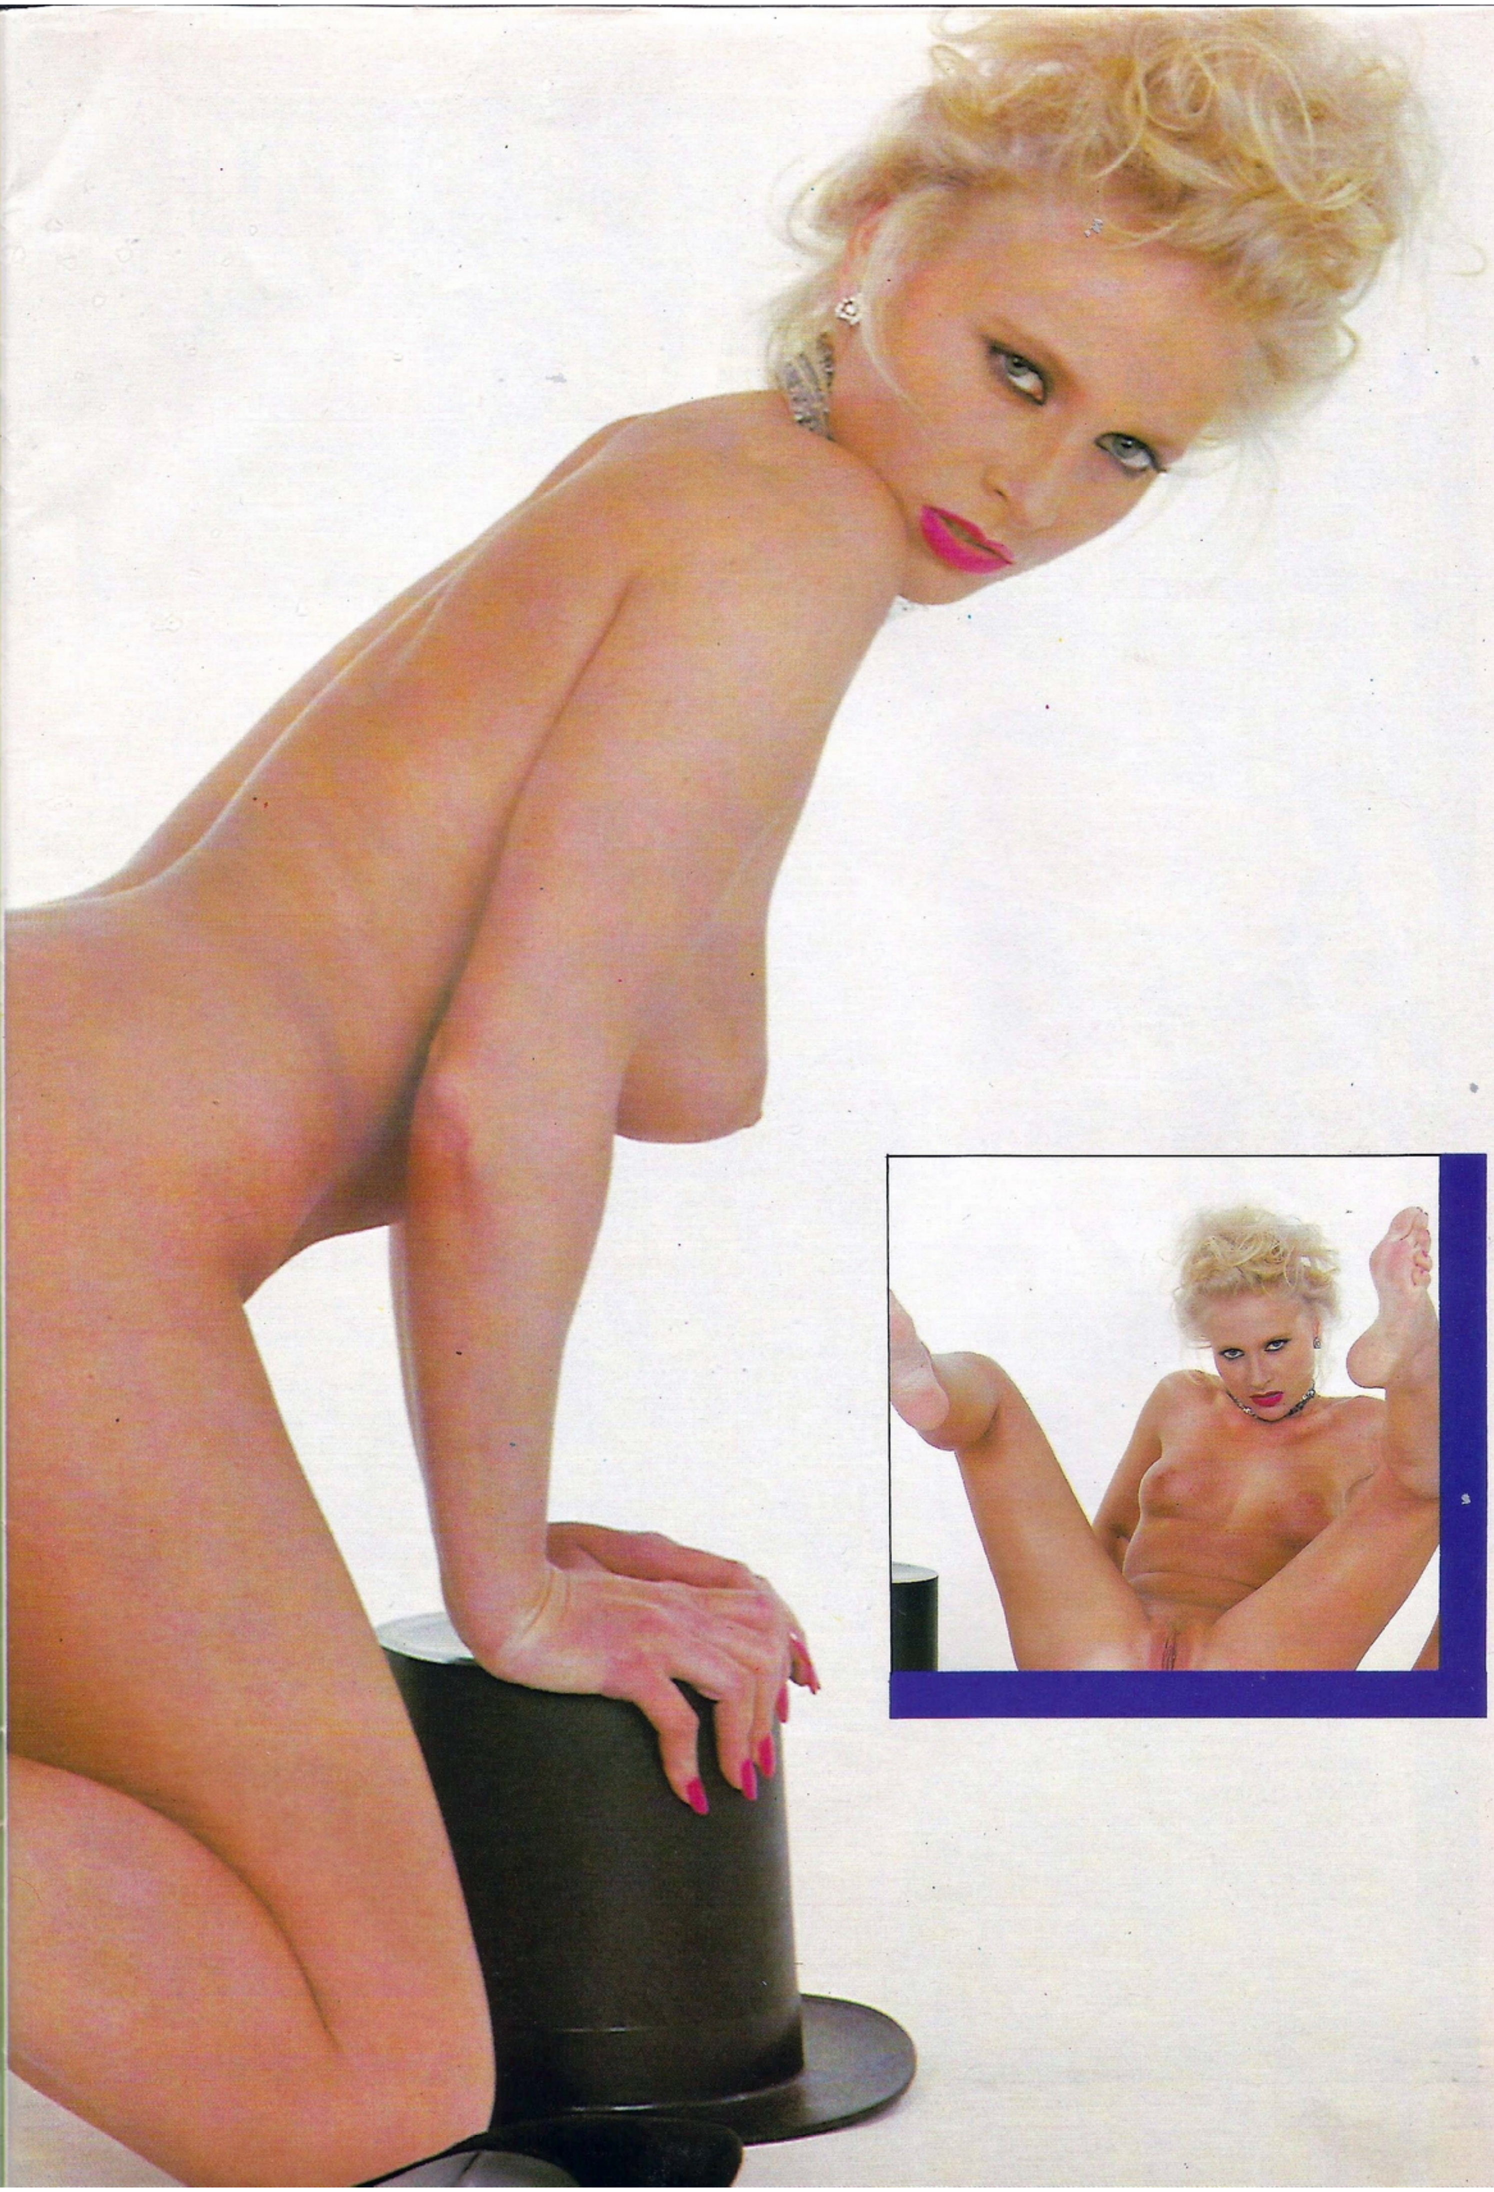
We've had a lot of letters about girls with long hair lately. So, for all you Vidal Sassoon fetishists, here's Amy, a lady with enough on top to keep your wandering hands busy for hours. It's just a shame that her pubic hair doesn't match it in length. Think of the fun you could have with really long pubes . . . Us Scotsmen wouldn't need to use sporrans, hair transplants would be much more convincing, oh, and your girlfriend would take twice as long to blow-dry her hair. Well, maybe it isn't such a good idea, then, but it would be fun giving your favourite lady her one hundred brush strokes every night before bed . . .



Caroline

Guest Blurb Spot *2: In which a member of one of our sister organs is invited to contribute a blurb. Here's Fiesta's tea-boy on Caroline: Typical, innit? These Knave bods just have to be posh, don't they. Look at this Caroline, here – very nice, I grant you, but top hat and tails? Trouble with those Knave sods is they don't know their places. Would-be yuppies to a man. All mink coats and no knickers, if you see what I mean. Now here at Fiesta we do things differently. Dress a girl as she likes to be dressed – mini skirt, thigh length boots and a discreet covering of cold baked beans. (That's why Knave readers avoid Fiesta like the clap – Ed).*

Photographed by GEOFF HAYES

Ella

Brrrrr! The weather's cold enough to freeze yer balls off. We know that you're all sitting in your austere garrets, huddled around a broken single-bar electric fire with only the thoughts of a hot, fecund place where you'd rather be, to keep you sane. So, here's Ella, who's bella, bella, bella, to warm the cockles of your cock. Nowhere is more scorching or sizzling than between her legs. That's where the sun really shines from! (Er . . . I'm not really sure about this new bloke, guys! — Dep Ed).

The Italian Job

PHOTOGRAPHED BY Paolo Tallarigo

What do you mean you've never seen a blonde Italian girl? Okay, so we're bending the rules a little by including Kirsten. Her mother is English, but her father is Italian, therefore, she qualifies for The Italian Job. We're only operating on the same rules as the England football selectors, aren't we? And, talking of football, I can't think of anyone else I'd rather have a handball decision from!

Kirsten

86

Maggie

Right, I've brought Maggie back again. I know you saw her in our last Christmas issue, but I don't care. Albert Hall, the photographer who purports to have snapped these pics, has been pestering me to use them for ages. And that's why Maggie is back so soon. It's got absolutely nothing to do with my desire to be locked in a dark room with her for a weekend. But if she has the time, I can break a few light bulbs . . .

Photographed by ALBERT HALL

Mandy

Gasp as you admire the light gently caressing Mandy's voluminous breasts. Sigh as you enjoy the sight of a well-shaped, pointing nipple. Moan as you gaze deeply into the lush triangle of Mandy's pubic hair, and the delights concealed within. Alternatively, just grab a handful of cock and start turning the pages really quickly . . .

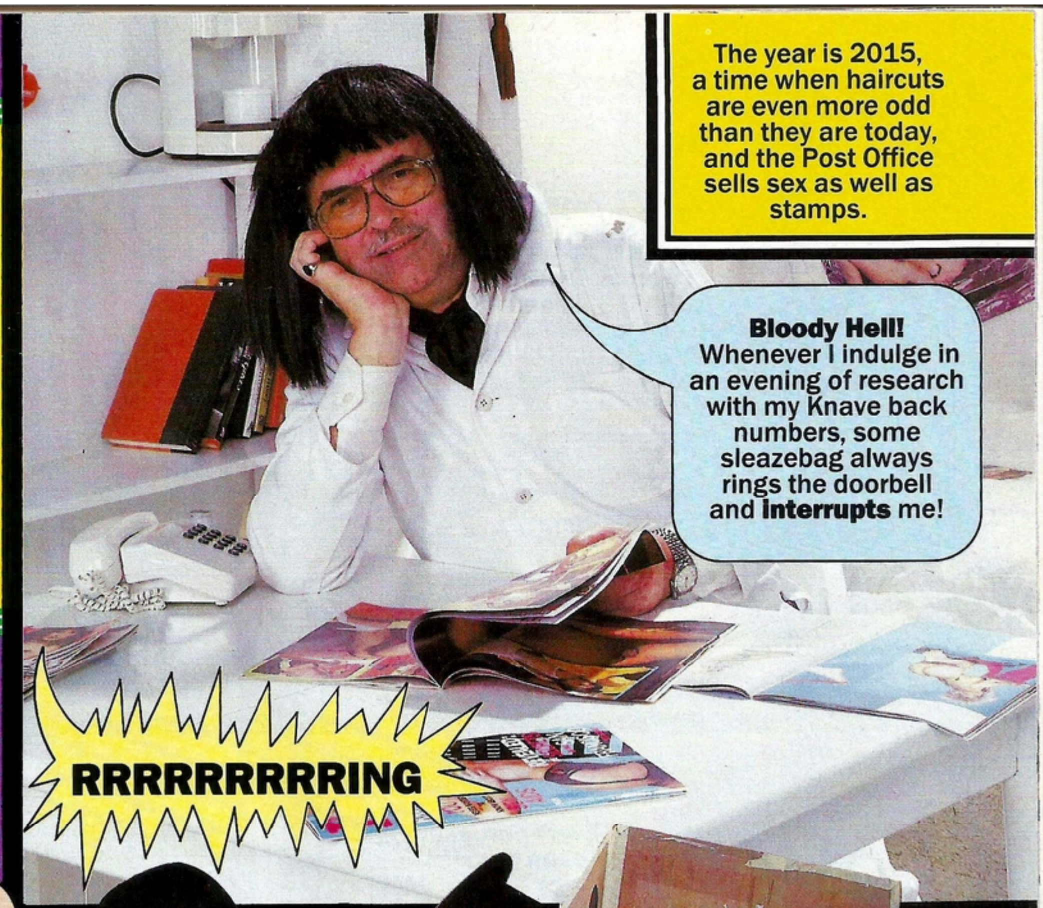
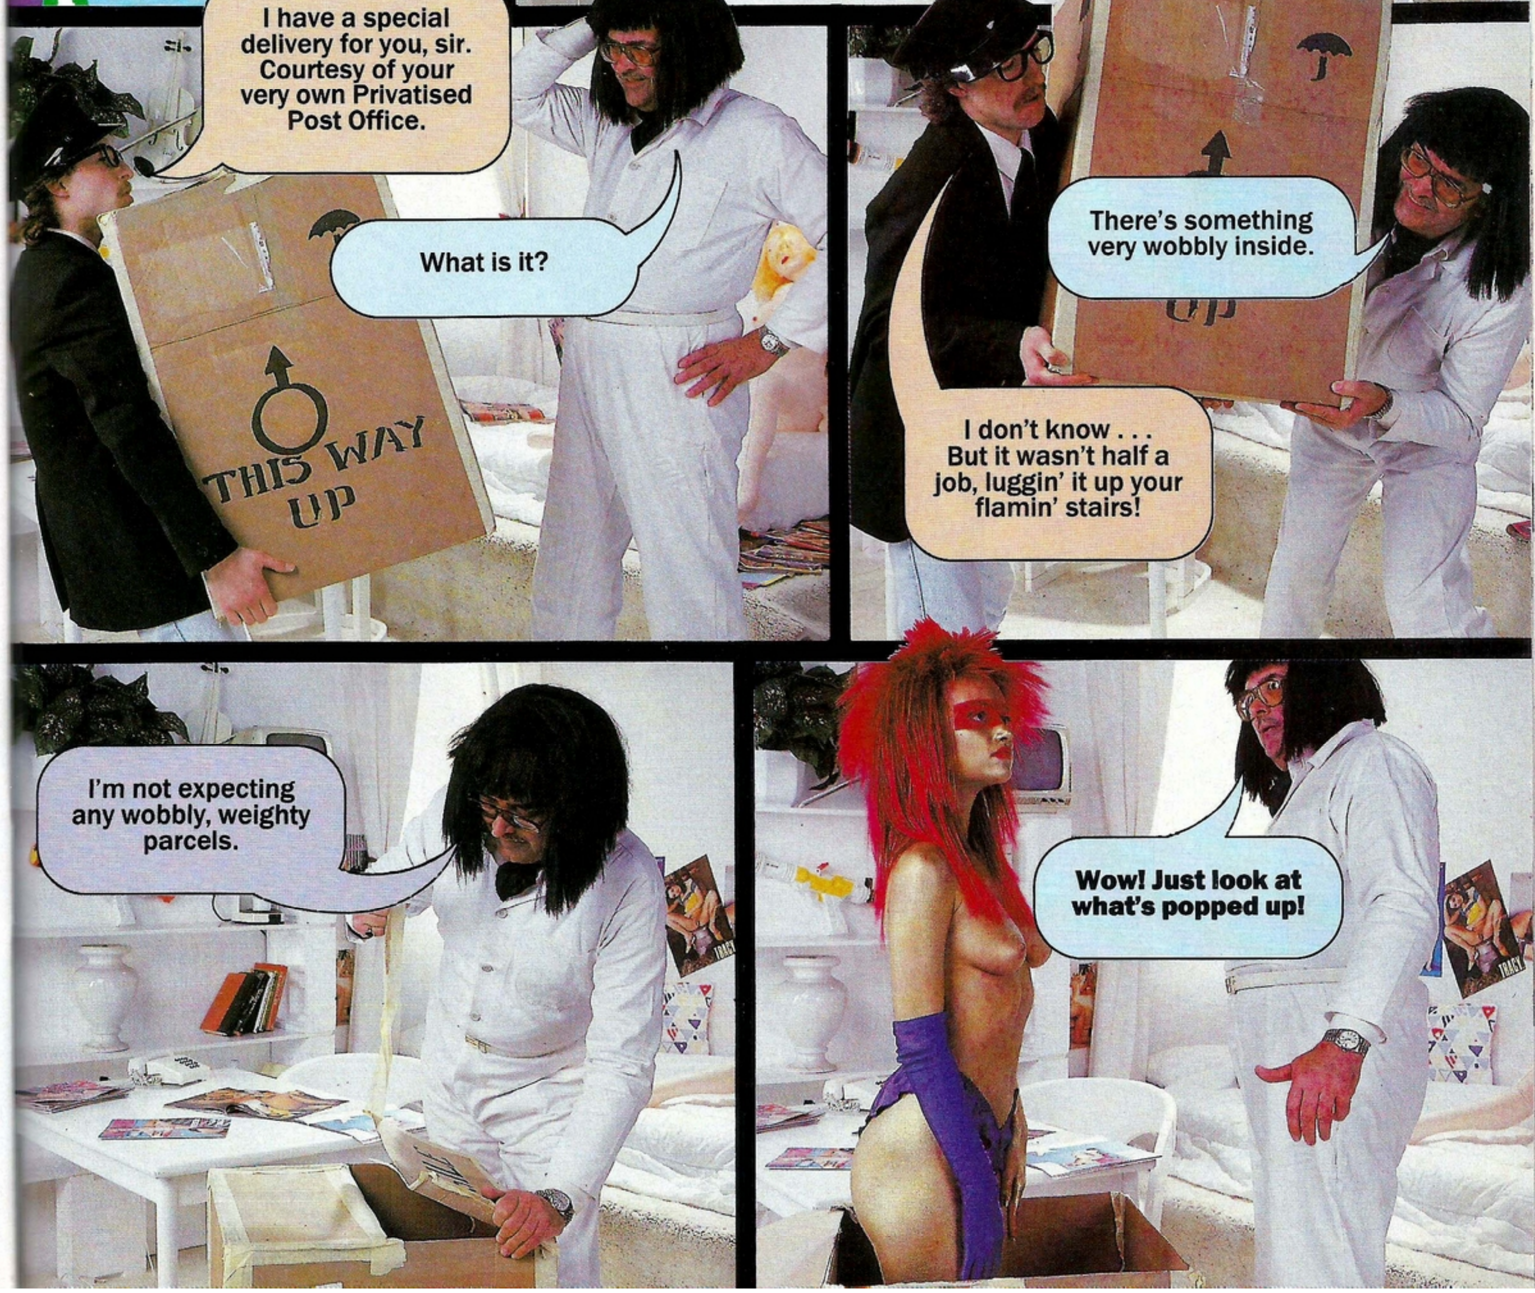
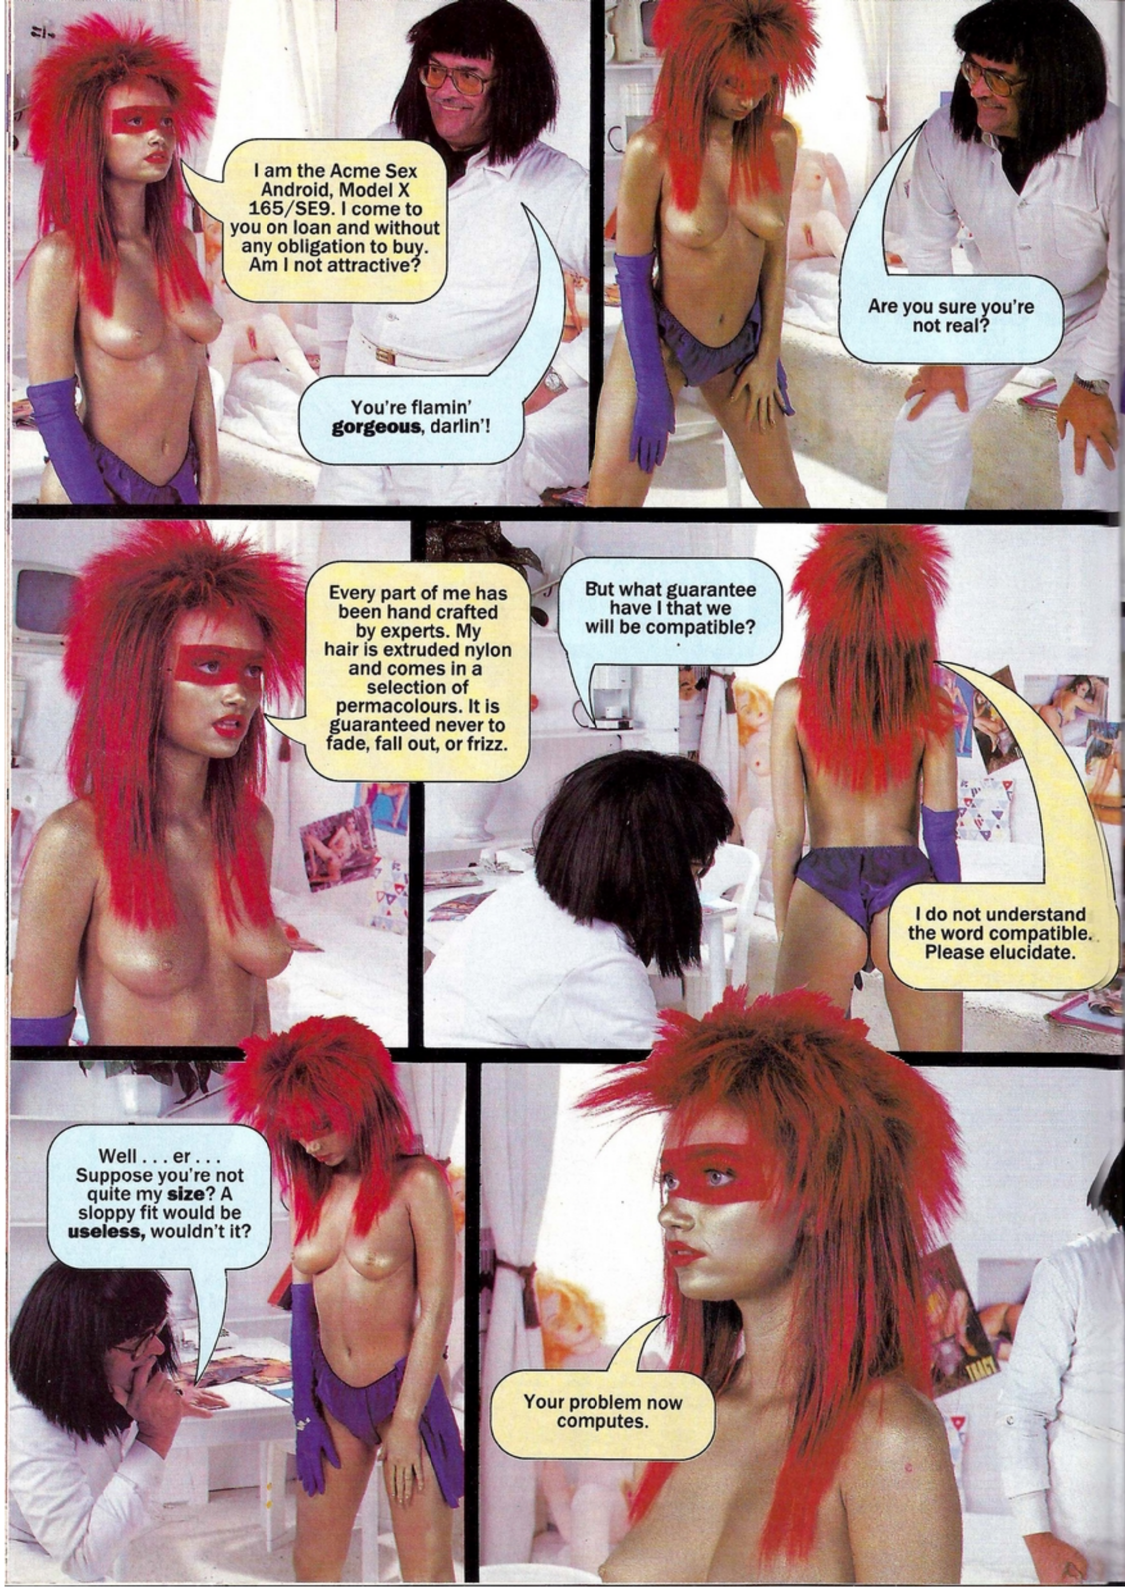
WRITTEN BY LES LILLEY



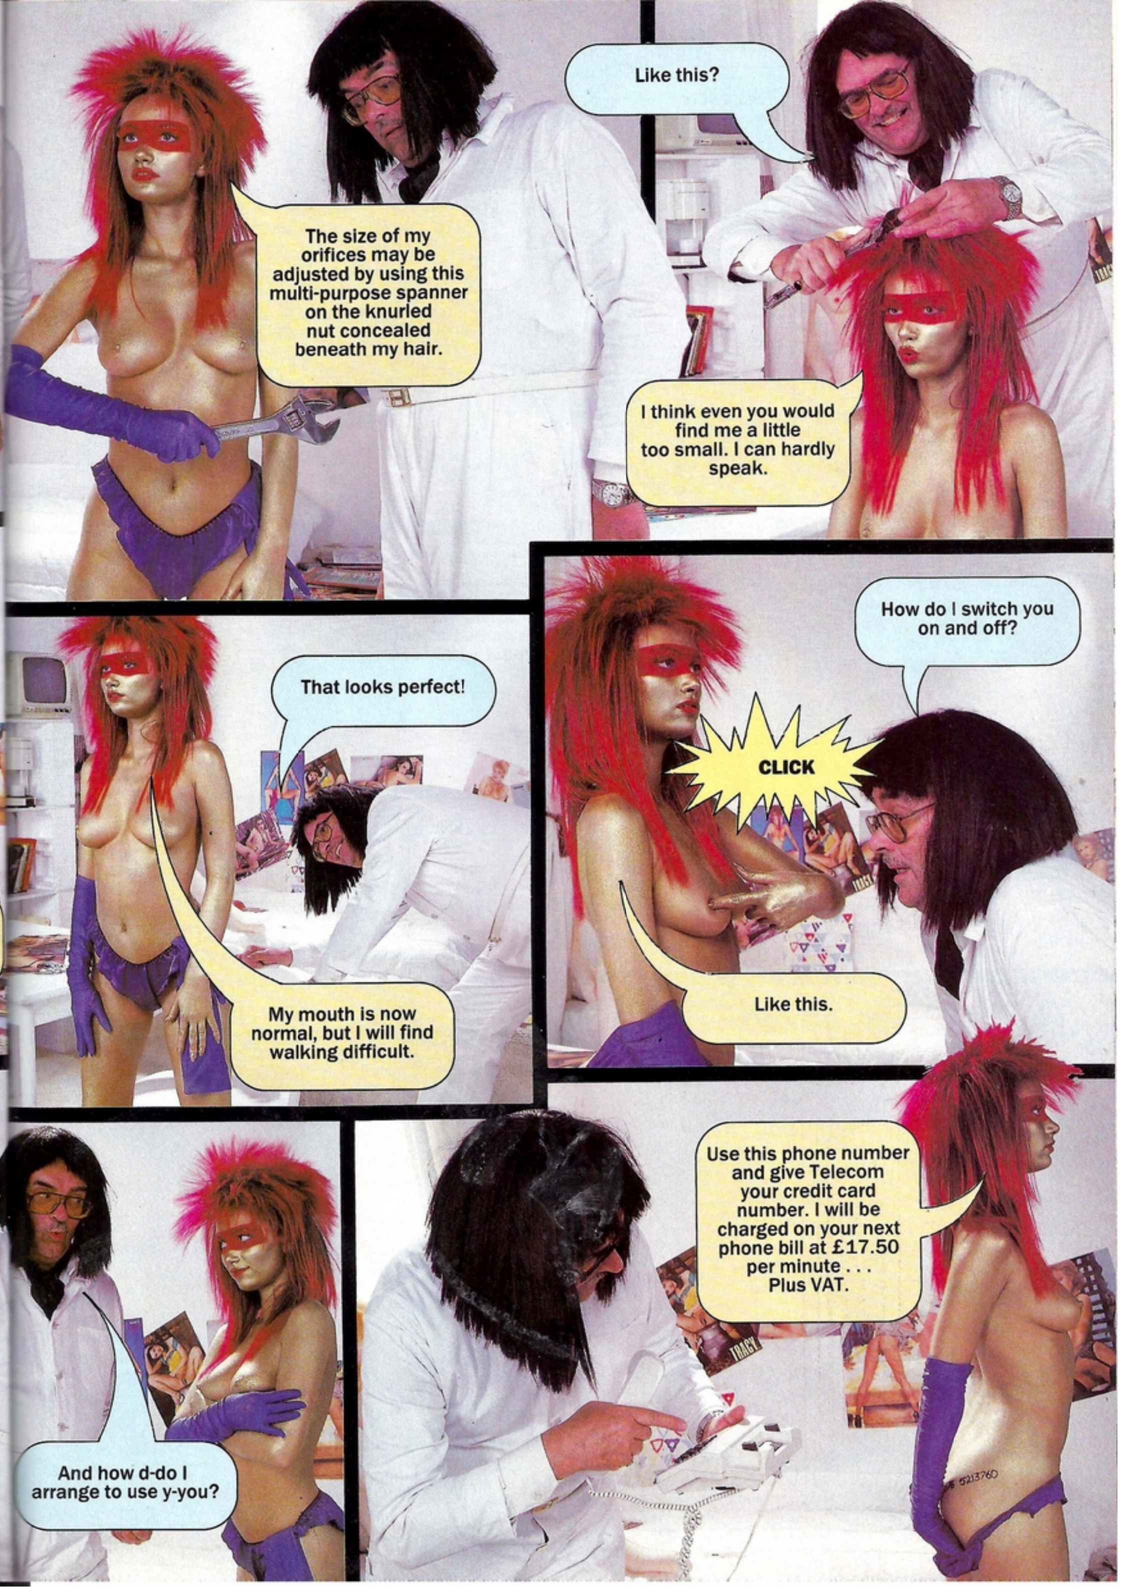
The year is 2015, a time when haircuts are even more odd than they are today, and the Post Office sells sex as well as stamps.
Bloody Hell! Whenever I indulge in an evening of research with my Knave back numbers, some sleazebag always rings the doorbell and **interrupts** me!
RRRRRRRRRRING



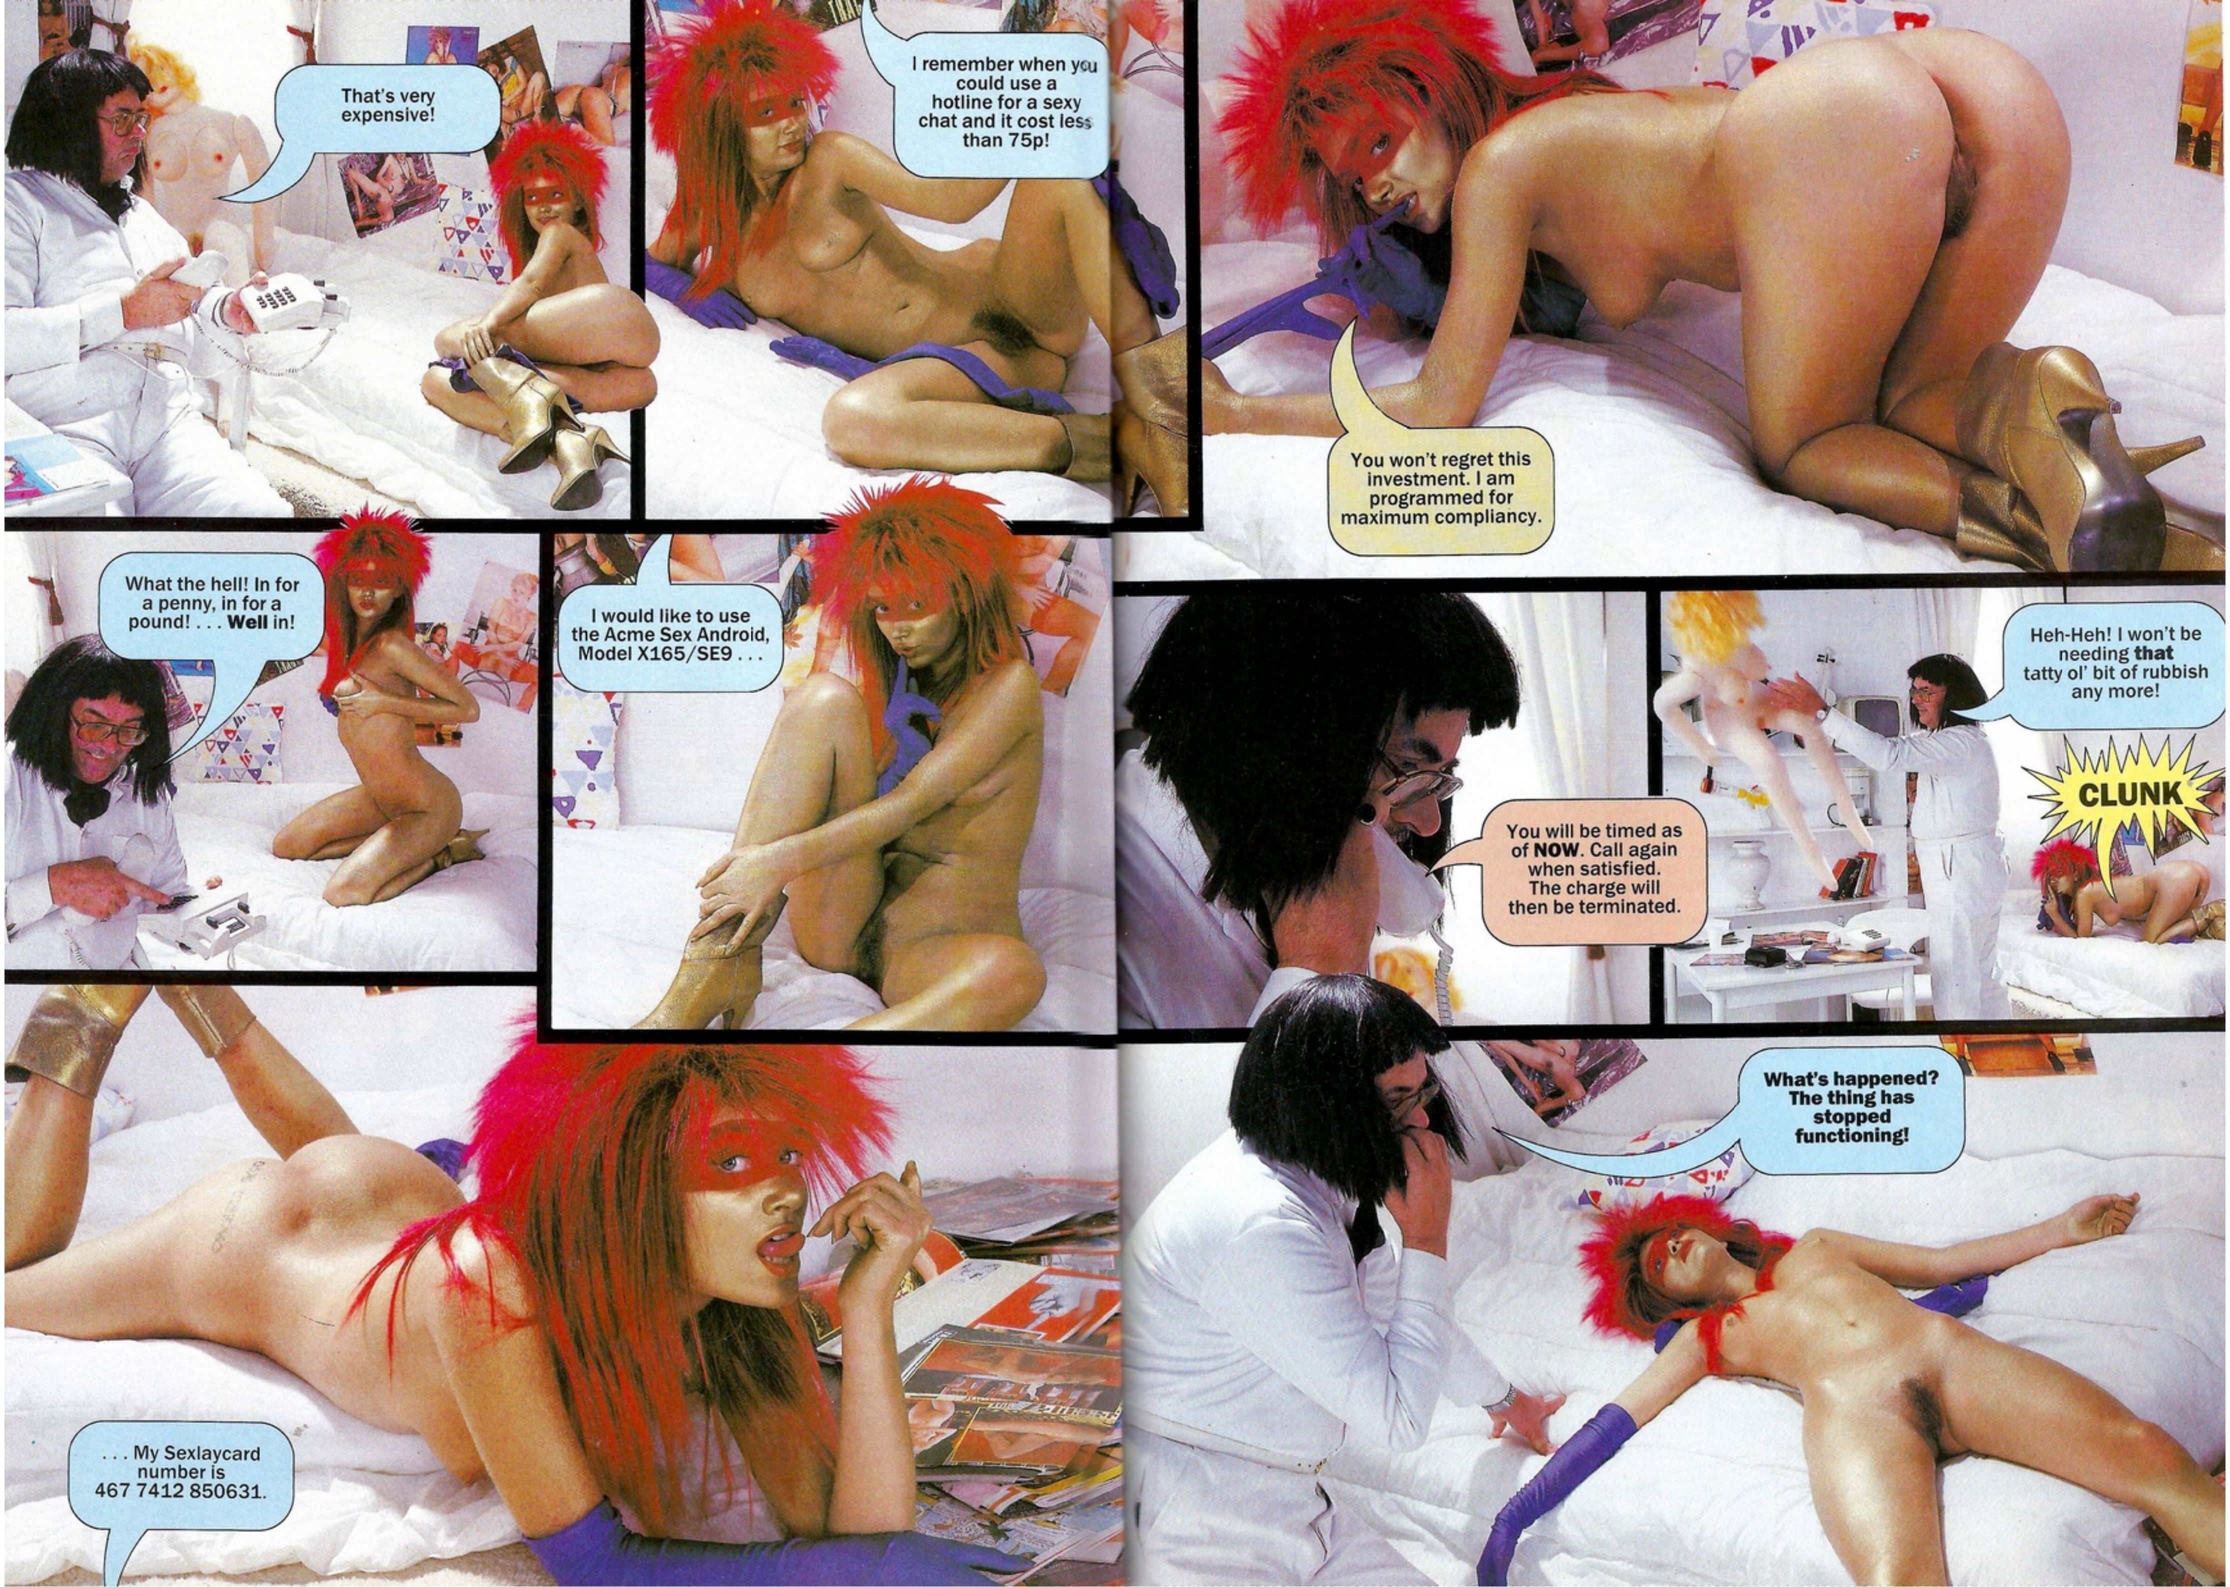
I have a special delivery for you, sir. Courtesy of your very own Privatised Post Office.
What is it?
THIS WAY UP
There's something very wobbly inside.
I don't know . . . But it wasn't half a job, luggin' it up your flamin' stairs!
I'm not expecting any wobbly, weighty parcels.
Wow! Just look at what's popped up!



I am the Acme Sex Android, Model X 165/SE9. I come to you on loan and without any obligation to buy. Am I not attractive?
You're flamin' **gorgeous**, darlin'!
Are you sure you're not real?
Every part of me has been hand crafted by experts. My hair is extruded nylon and comes in a selection of permacolours. It is guaranteed never to fade, fall out, or frizz.
But what guarantee have I that we will be compatible?
I do not understand the word compatible. Please elucidate.
Well . . . er . . . Suppose you're not quite my **size**? A sloppy fit would be **useless,** wouldn't it?
Your problem now computes.



The size of my orifices may be adjusted by using this multi-purpose spanner on the knurled nut concealed beneath my hair.
Like this?
I think even you would find me a little too small. I can hardly speak.
That looks perfect!
My mouth is now normal, but I will find walking difficult.
How do I switch you on and off?
CLICK
Like this.
And how d-do I arrange to use y-you?
Use this phone number and give Telecom your credit card number. I will be charged on your next phone bill at £17.50 per minute . . . Plus VAT.



That's very expensive!
I remember when you could use a hotline for a sexy chat and it cost less than 75p!
What the hell! In for a penny, in for a pound! . . . **Well** in!
I would like to use the Acme Sex Android, Model X165/SE9 . . .
. . . My Sexlaycard number is 467 7412 850631.
You won't regret this investment. I am programmed for maximum compliancy.
You will be timed as of **NOW**. Call again when satisfied. The charge will then be terminated.
Heh-Heh! I won't be needing **that** tatty ol' bit of rubbish any more!
CLUNK
What's happened? The thing has stopped functioning!

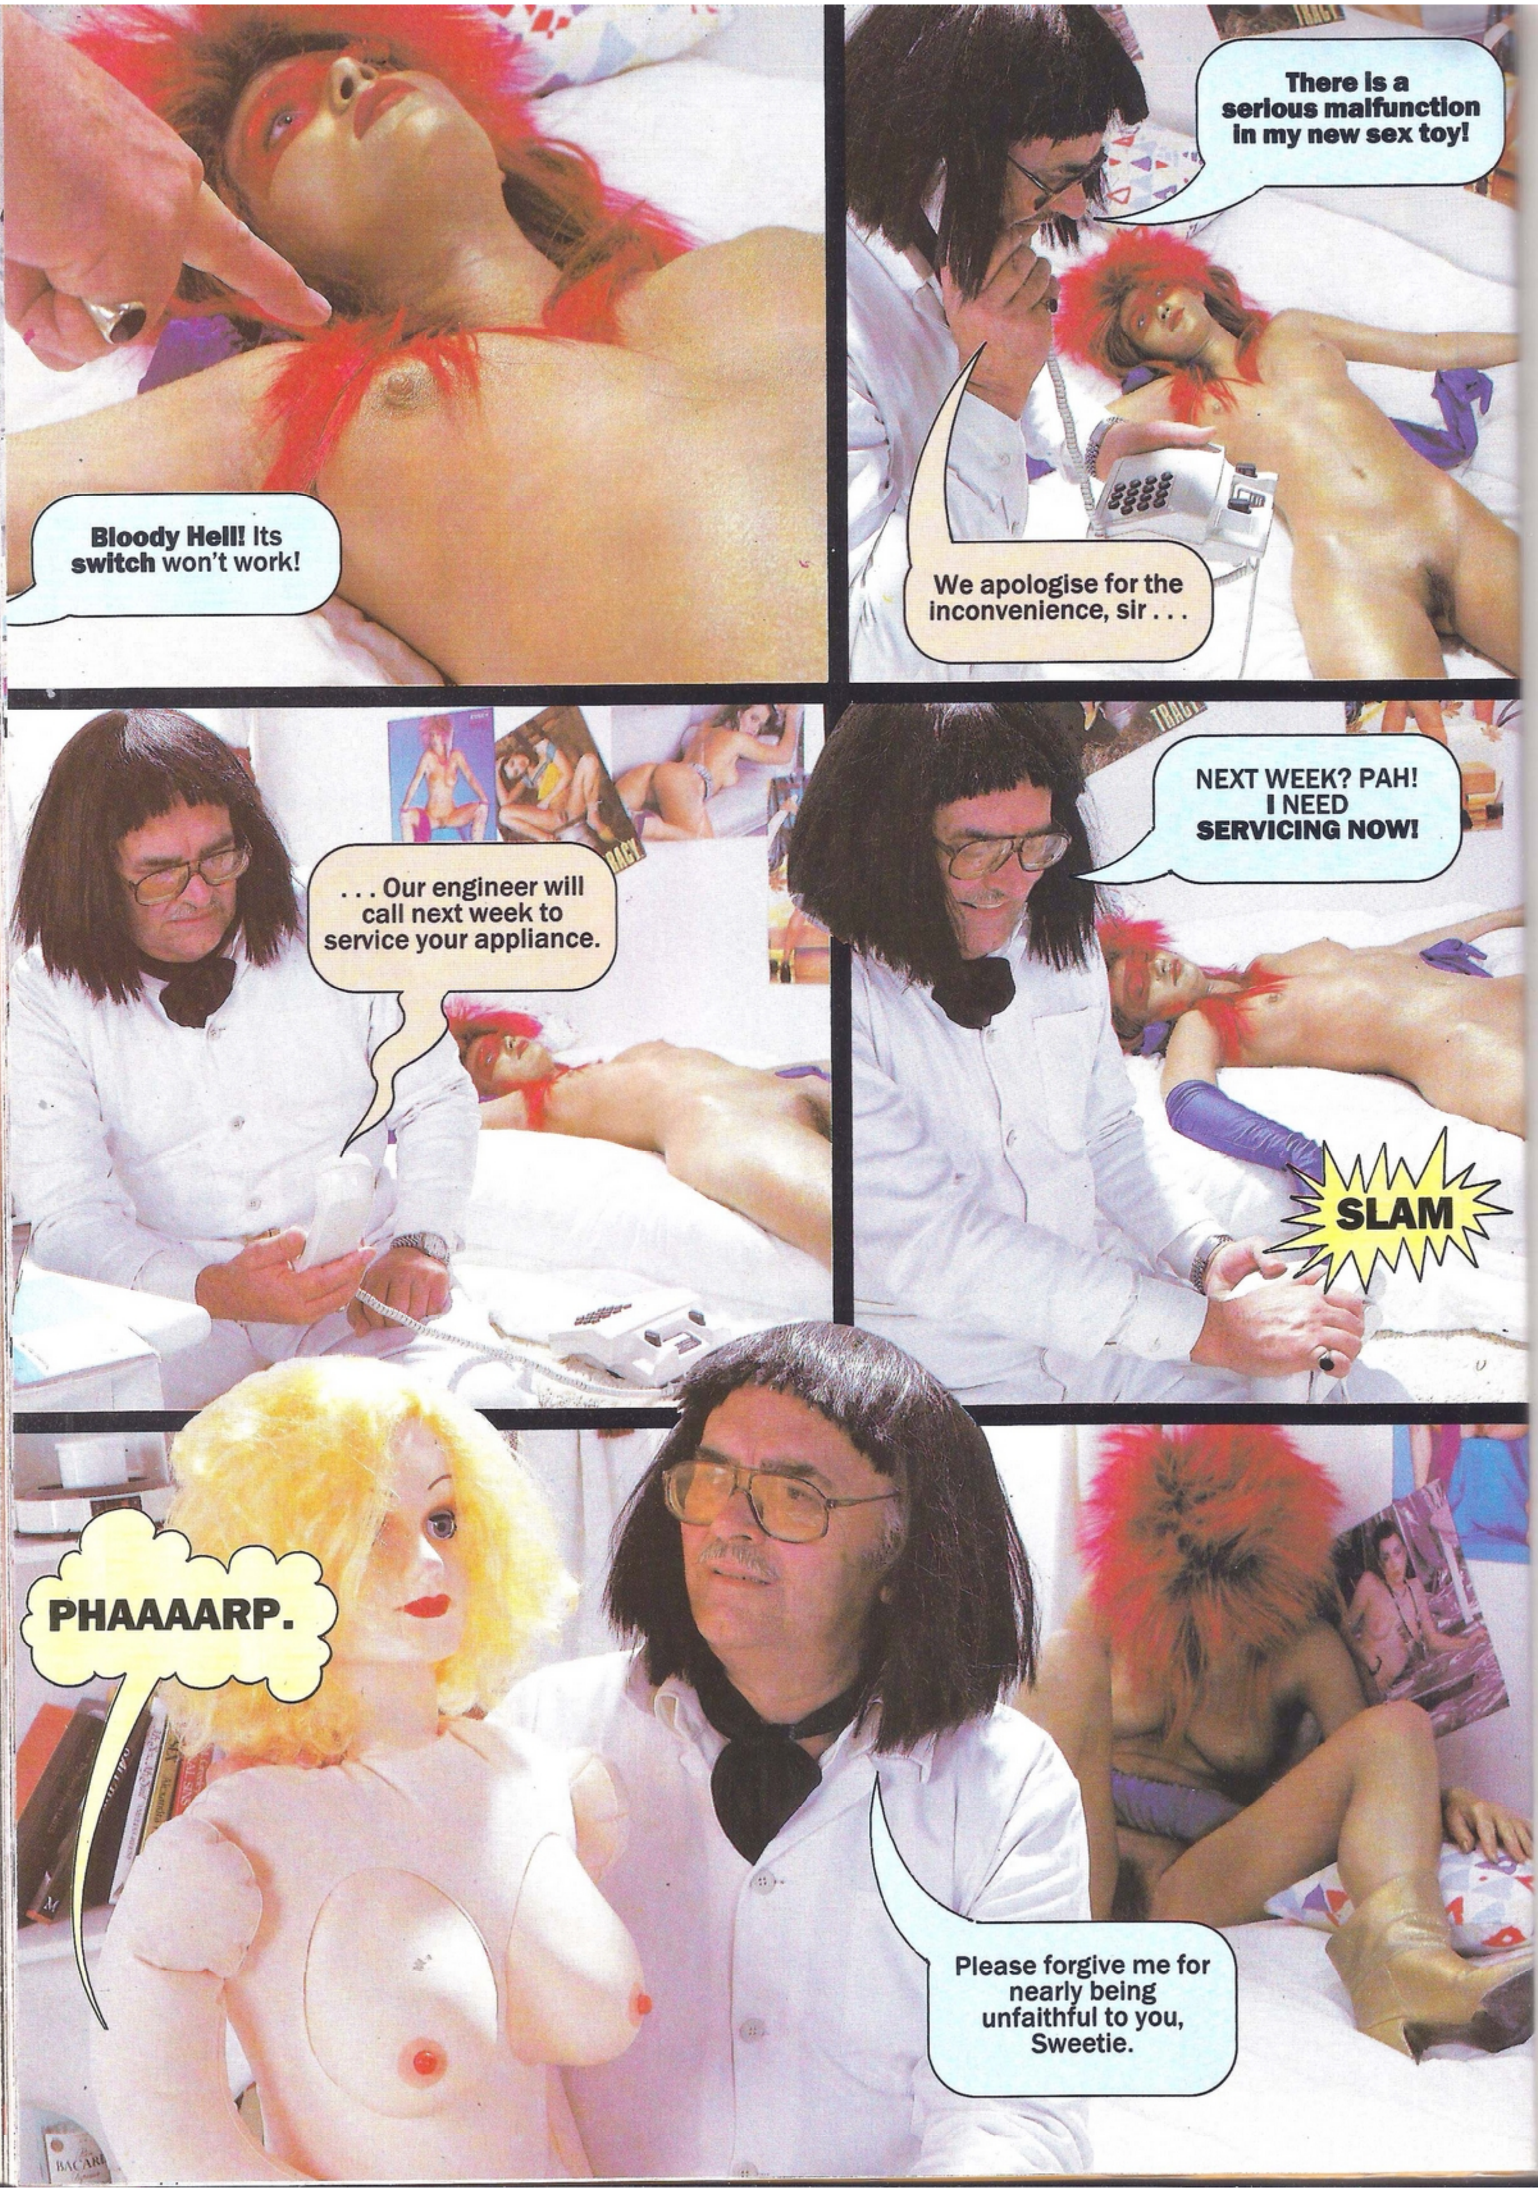
My First Time

Everyone remembers their first times. Whether it's the first time they got drunk, had sex, whatever, it sticks in the mind. But what about models? They all have a first time, too. And that's where Knave comes in. If you have a secret passion to become a model, then why not enter 'My First Time' and make it happen!

Here's Miss Smith – Trudy to her friends – in her natural office environment. But hold hard! What on Earth is she doing minus her smart, girl-about-town business suit? No doubt waiting for Richard, our new Editorial Assistant to give her some serious dictation. Well, if I was handling the admin, I'd file her tits under 'titillating', her legs under 'luscious', and her bum under 'bumptious'! (What?! – Dep Ed).

Trudy

All you need to do is send us at least three nude polaroids or prints of yourself, along with the entry form, and we take it from there. Who knows, your 'first time' as a model might be just around the corner!



Bloody Hell! Its switch won't work!
There is a serious malfunction in my new sex toy!
We apologise for the inconvenience, sir . . .
. . . Our engineer will call next week to service your appliance.
NEXT WEEK? PAH! I NEED SERVICING NOW!
SLAM
PHAAAARP.
Please forgive me for nearly being unfaithful to you, Sweetie.

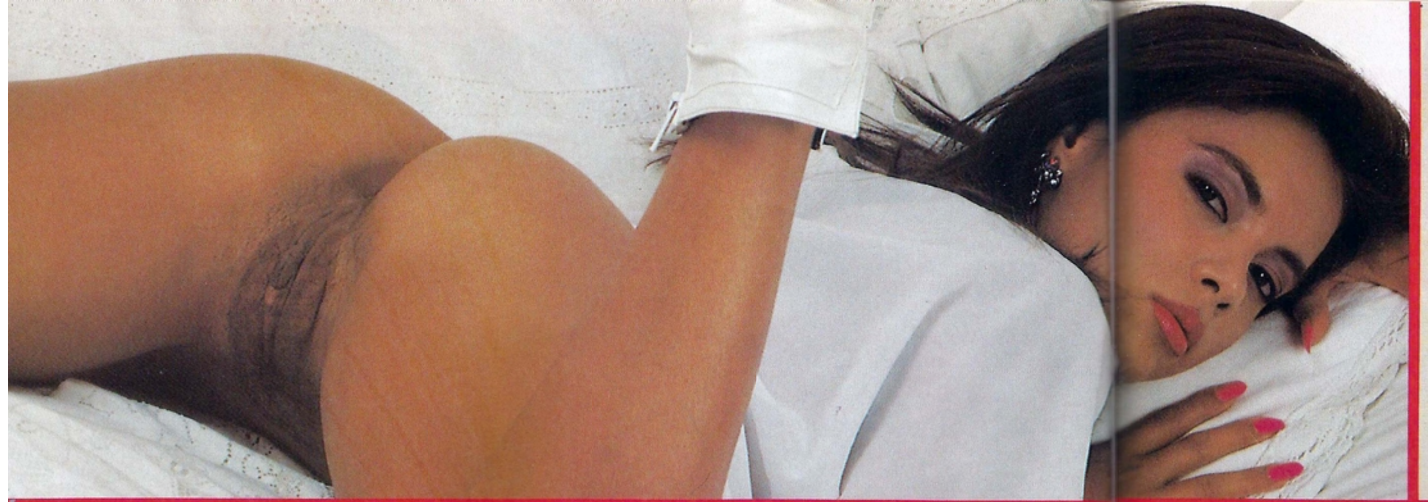
Ladies! If you're thinking of going into modelling, then now's your chance! Every month our Amateur Model Feature premiers a different girl, and next month it could be you! Provided they have never appeared in Fiesta or any other men's magazine, female readers are eligible to become Knave Amateur Models. Just send us the completed application form, and three or four nude polaroids or prints. Then, each month, we'll pick the girl we like, and invite her to our studio in Essex for a day's modelling session, with a professional glamour photographer, and our own make-up artist and hair stylist to make sure the model looks her very best.

We pay our models £200 for their day's work, and an extra £25 to the photographers who originally sent the pictures in. So come on, take that first step into a new career!

This is great, almost all my favourite gals in one issue! I don't know how my straining loins can take it. I defy anyone to wrinkle their nose at this set of Xiou. Just look at those soft folds of cloth juxstaposed with those tip-tilted breasts. Marvellous stuff. Can't you just see yourself pouring gallons of maple syrup all over her willing, taut body and licking it off? What do you mean, 'No'? How about lemon curd, then? Are we talking the same language, or what?

Xiou



Photographed by LUKE SNOW

YVETTE

Something has happened to Knave. By now you'll have noticed the design changes, the new features and all that. But the more perceptive amongst you will also have noticed subtle changes about our choice of girls. They're all a little – how can we put it? – hornier. More likely to give you what you want. Satisfaction. We hope you agree, and that you like what's going down around here. If Yvette's the kind of girl who does it for you, write and let us know and we'll print the best letters in Penpower Plus. Our aim is to please.
